Tender Notice dated 5th May 1931 for the supply of buffalo bull calves.

Sealed tenders for the supply of buffalo bull calves required for the Mysore Serum Institute, near Race View, Race Course Road, Bangalore, or at Hebbal, during the official year from 1st July 1931 to end of June 1932, will be received in the Office of the Director of Agriculture in Mysore, Bangalore, up to 3-15 P.M., on Saturday the 13th June 1931.

2. The tenders must be well sealed and superscribed "Tenders for the supply of buffalo bull calves to the Mysore Serum Institute during the year 1931-32" and specify the rates for the animals as per description under para 15.

3. The tender rate quoted should include the cost of delivery of the calves at the Institute premises, near Hebbal, or at the Reserve Depot near Sampangi Tank or at Jakkur or any other place within a distance of about 4 miles from Hebbal.

4. Every tenderer should deposit in the State Huzur Treasury, a sum of Rs. 100 as earnest money deposit towards the tender in favour of the Officer in charge, Mysore Serum Institute, Bangalore and the treasury receipt obtained therefor should accompany the tender without which the tender will not be considered.

5. The tenders will be opened by the Director of Agriculture at 4-15 P.M., on the same day in the presence of such tenderers as may choose to attend.

6. About 2,500 buffalo bull calves are required to be supplied during the year but the number is only approximate. If necessary, more or less than the number specified will have to be supplied.

7. Not more than six contractors will be selected from the number of tenderers and no single tenderer will be given the sole contract. Each contractor must be prepared to supply the number of calves required by the Officer in charge of the Serum Institute. The quotation approved by the Director of Agriculture should be accepted by the selected tenderers. If any of the selected tenderers does not accept the quotation others will be selected among the tenderers.

8. The Director of Agriculture will fix up the contractors as are suitable in his opinion after selection to supply the calves at the approved tendered rate. But, the Director does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. Each of the selected contractors will be considered as a separate and independent supplier to the Institute.

10. The rate quoted should be in figures as well as in words.

11. No claim for compensation on account of rise in prices of buffalo bull calves that might be due to whatever causes will be entertained during the contract period.

12. The name of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement on twelve annas stamp paper depositing a sum of Rs. 150 as security deposit in the State Huzur Treasury, in favour of the Officer in charge, Serum Institute for the due fulfilment of the contract within seven days from the date of intimation of the acceptance of the tender.

13. The successful tenderers should be prepared to supply such number of animals as are required from time to time either on receipt of oral orders of the Officer in charge of the Institute or on receipt of written indent such orders being complied with within a fortnight from the date of receipt of the orders.

14. No advance of cash will be made to the contractors. Payments to the contractors for calves supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same with the necessary vouchers, while arranging payment of his bills the contractor should accept the following conditions:—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half rupee will be disregarded and half a rupee and over will be taken as a rupee.

(*b*) The totals of bills less than Rs. 25 will be rounded to the nearest anna.

15. The buffalo bull calves required should be of the description given below.—

(*a*) The buffalo bull calves should be perfectly healthy and muscular, age ranging from 2 to 3 years.

(*b*) The buffalo bull calves to be supplied should not have been previously s. s. inoculated against rinderpest or should not have recovered from an attack of rinderpest or used in the Institute or sent out.

16. The under signed reserves to himself the right to keep the animals after supply four days under observation prior to final accept to see that calves supplied are of the quality and type specified in the above clauses and also to reject any animal at any time within 4 days of provisional acceptance without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and shall replace them within 4 days by an equal number of animals that may be acceptable to the undersigned.

17. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to cheat the undersigned by offering s. s. inoculated or rejected or used buffalo bull calves, etc., and if the stipulations of the contract be frequently violated the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned.

18. Owning to the delay in supply, if the undersigned is forced to purchase the calves elsewhere, he will do at the risk of the contractor and any extra cost so incurred will be recovered from him independently of any fine that may be levied on him under the above para No. 17 but the profits if any by purchasing elsewhere shall not be participated.

19. The contract of each tenderer should not be sublet.

20. The decision of the undersigned shall be final in all questions of acceptance of buffalo bull calves.

21. Any further information relating to the supply of buffalo bull calves may be had from the undersigned daily between 8-30 to 10-30 A.M. in the Office.
